- Some similarities between Athens (50AD) and Ontario (2018AD) are:

Which of these show up in Acts 17?

- In every culture where we find ourselves there are elements that we:

-
-
-

- How can we say that Paul preaches the Christian "bottom line" in Acts 17?
Is it even a Christian message without the cross proclaimed? (1 Corinthians 15)

- What cultural "hooks" does Paul use?

-
-

- How can we say that there is truth to be found in other religions? Isn't saying that just starting down a slippery slope to heresy?
(see Romans 1:19-20; Ecclesiastes 3:9-11; Colossians 1:13-2:9, 1 Cor 3:18-23)

- "Lord, I pray for N_____. Please give me right words to speak and examples to use, so that I might make clear to them the Good News of Jesus, and that they might come to love him with all their heart, soul, mind and strength."
